

# The *International Exhibitor* Newsletter

January, 2013 Update of FIP, FIAF & RPSC International Exhibition News for Canadian Philatelic Exhibitors Volume 1 Number 1

## NOTES FROM JIM TAYLOR, ILO

Since my November, 2012 appointment as chairman of the Royal Philatelic Society of Canada International Committee and International Liaison Officer I have received many e-mails and calls from exhibitors who are qualified to apply for frames at FIP and FIAF international philatelic exhibitions. After spending time answering individual enquiries, I decided that a newsletter might be the better way to communicate FIP and FIAF news and updates to Canadian international Exhibitors. RPSC Commissioners, delegates to Technical Commissions, and FIP qualified Judges may also appreciate these updates.

If I don't have your email address and you wish to receive the Newsletter please send it to [miquelon@shaw.ca](mailto:miquelon@shaw.ca). I will also send a copy to the RPSC webmaster and see if a copy can be available on the website. Also email me if you wish to be dropped from the mailing list. This newsletter will be issued at irregular intervals as news accumulates rather on regular schedule. I will start off with a single page .pdf file format. Specific enquiries and questions may appear as Letters to the Editor in order to pass information in to others. Inquiries about individual Commissioners or Judges should be directed to the individuals involved.
