The Philatelic Specialists’ Society of Canada (PSSC) was founded in 1954. Just three years into its existence it had forty-four members when they decided to hold a major philatelic exhibition to promote the hobby and kindle interest in philately in all its forms. The exhibits would include philatelic rarities never before put on public display. At the April 17, 1957 regular meeting of the PSSC Douglas Patrick announced that arrangements had been made with the Royal Ontario Museum (ROM) to hold an exhibition for nine days in November. It would be the first time any museum in Canada had featured an exhibition of stamps.

Douglas Arthur Patrick was heavily involved in stamps. He was a long-time employee at the Globe and Mail in advertising sales. During his career he wrote over 1000 scripts for the *CBC Stamp Club of the Air* which ran from 1950 to 1975. At the Globe he wrote a stamp column for 33 years. Together with his wife Mary he wrote ten books on stamps.

Professor Russell Waines was appointed Chairman of the Exhibition Committee. He hoped to have approximately 1200 pages displayed in the non-competitive exhibition. Each member was invited to submit a maximum of thirty-two pages, which a "hanging committee" would select from their submissions. These pages had to meet rigid standards of quality and attractiveness. No duplication of items was allowed so that the viewers would see the many ways to collect. In all forty-three exhibits ended up going on displayed.

Because of his professional background in advertising sales, Doug Patrick was appointed Chairman of the Publicity Committee. He conducted a number of radio and television appearances and sent letters to a large number of stamp organizations to publicise the exhibition. Harry Sutherland, Dr. Richard Maresch and William Maresch assisted the Chairman. Max Werner assisted with hand-lettering and illustrations. Many other members assisted where needed.
The exhibition title was “Stamps: King of Hobbies and Hobby of Kings”. It ran on the third floor of the ROM from November 8 to 17, 1957. Admission was free. In total there were 43 exhibits by PSSC members. Over 800 pages were displayed from some of the outstanding collections owned by PSSC members valued at over a million dollars.

The exhibits were arranged into three groupings: Topical, Specialization, Postmarks and Cancellations and Postal History. The Postal History category was subdivided into four sections:

1. The creation of stamps illustrated with an exhibition by Elizabeth Wyn Wood, widow of Emanuel Hahn: drawings, sketches and photographs of Canadian stamps. The exhibition covered the preparation of artwork for the Moose stamp of 1953, the Walrus and beaver of 1954.

2. Forerunners like the Chinese Treaty Ports by Harry Sutherland and Richon Le Zion post by armoured car by Dr. Jack Sachis.

3. Pre-adhesive postage stamp material including forwarding agents mail, India pre-stamp covers, Sweden and Vienna postal system items.

4. The ROM put on a display of Babylonian Clay Tablets, Persian Manuscripts, Egyptian letters on papyri and other related items.

PARTICIPANTS

GLOBE AND MAIL

The Globe and Mail newspaper where Douglas Patrick worked supplied the Exhibition Catalogue with multicolored cover that had articles related to most of the exhibits. A total of 1,010 catalogues were sold at 25¢ each. The Catalogue can be viewed in the Publications section of the PSSC website, click here.
Elizabeth Wyn Wood, wife of the late Emanuel Hahn lent drawings, sketches, photographs and original sculptures Hahn used in the creation of the moose, walrus and beaver stamps in his wildlife series.

THE CANADIAN POST OFFICE

The Post Office displayed additional sketches and proofs and final stages in the production of the three stamps created by Hahn as well as the end products.
BRITISH AMERICAN BANK NOTE COMPANY

The British American Bank Note Company displayed a frame of items produced in its Montreal plant in the 19th Century together with a selection of Victoria Head Bill Stamps.

THE CANADIAN BANK NOTE COMPANY

Essays and die proofs of stamps not issue due to WWI  
Full sheets of early stamps  
Half-sheet of the New Brunswick Charles Connell stamp

Charles Connell

The Canadian Bank Note Company displayed a set of essays and die proofs of the 1914 MacDonald-Cartier Centenary stamps, prepared before World War I, but never put on sale; plate proofs of the Three Penny and Five Cent Beaver; a sheet of the Seventeen Cent Jacques Cartier; a full sheet of the Three Penny Beaver; a half-sheet of the New Brunswick Charles Connell stamps and 10 other sheets.
They also displayed a frame of Bank Notes including a $50,000 bill dated 1924 believed to be the largest denomination note ever issued in Canada which were only used for bank to bank transactions.

ROYAL ONTARIO MUSEUM

The ROM displayed postal artifacts including Egyptian letters on papyri, Babylonian clay tablets, Persian manuscripts and other items of communications in the days of antiquity.

VISITORS

This was the first-time a philatelic exhibit was held at a Canadian museum. Understandably the ROM was rather concerned about the attendance. However, these worries were dismissed when over 1,500 people crowded the exhibit on the opening Sunday, and at the time of the banquet on the following Saturday, over 3,500 had registered. Many others had not bothered to register and it was estimated that probably twice that number had viewed the exhibits.

In total 4,400 attendees passed through the official entrance and several hundred more through the irregular doors. Sunday November 10th saw the largest attendance at 1,483 visitors. A total of 1,010 catalogues were sold at 25¢ each.

BANQUET

The PSSC held a banquet on the evening of Saturday November 16, 1957 in the Yellow Room of the King Edward Hotel. Fifty-two members and guests attended the cocktail party that preceded the banquet.

Herbert Dubé, who had been president of the PSSC since its inception, acted as Master of Ceremonies. He introduced and thanked all of the workers who had made the exhibition possible. He then presented Secretary Harry Sutherland with a medal for "services beyond the call of duty." Everyone agreed that this was well-deserved recognition.
The guest speaker was Harry L. Lindquist, editor and publisher of STAMPS. He spoke on “Philately-1957” the trends, questionable practices by certain governments, the activities of the US stamp Advisory Committee and his recent visit to the Tabil in Israel where he was a judge at the International Philatelic Expo. He ended his talk by applauding the PSSC on organizing an excellent exhibition.
